The surface coating includes a drug inhibiting restenosis, wherein the concentration of the drug at two end portions of the stent is higher than that of the mid portion of the stent.

Claims 23-27, 29-31 and 37 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
